Approved Fer Release 2004/02/12: CIA-RDP78B05703A000400020017-2

17. Stoertz Luncheon

JJN had lunch with Stoertz today. One of the items discussed was a dispute that Stoertz is currently carrying on with the Office of Security concerning the placement of letters on CIA badges. Stoertz has taken the position that all IAS'ers must have a on their badge. The Office of Security is trying to cut down the number of people that have this designation.
